

Symposium:

What have we learned from Quark Matter conference 2008?

February 27 to 29, 2008

Agenda:

Wednesday, February 27 (1:30 PM to 3:00 PM, Large Seminar Room, Bldg. 510):

What have we learned from Quark Matter conference 2008 (I)?

- 1) **Highlights from PHENIX** presented by **Justin Frantz, SBU**
 - 2) **Highlights from PHOBOS** presented by **George Stephans, MIT**
- Coffee and cookies

Thursday, February 28 (1:30 PM to 3:00 PM, Large Seminar Room, Bldg. 510):

What have we learned from Quark Matter conference 2008 (II)?

- 1) **Highlights from STAR** presented by **Helen Caines, Yale University**
 - 2) **Highlights from BRAHMS** presented by **Ramiro Debbe, BNL**
- Coffee and cookies

Friday, February 29 (1:30 PM to 3:00 PM, Large Seminar Room, Bldg. 510):

What have we learned from Quark Matter conference 2008 (III)?

- 1) **Experimental Summary** presented by **Jamie Dunlop, BNL**
 - 2) **Theory Summary** presented by **Dmitri Kharzeev, BNL**
- Coffee and cookies
